PRINCIPAL

Dr. James W. Wright

Dear Graduates,

As you entered "the Lady on the Hill" four years ago, you were filled with apprehension and wonderment. During the sojourn we watched you go through a metamorphosis which changed you from confused freshmen to mature young adults. The journey has been mixed with trials and tribulations as well as successes and joys. Good fortune has not always been your companion, but you met every reversal with the undaunted "Blue Devil" spirit that would not let you admit defeat.

For many of you, the end of this year marks the arrival at a destination; for others, its just the beginning of a new journey. In the future as you reflect on your experience I sincerely hope that your memories will be pleasant ones. The staff has attempted to prepare you for your new academic pursuits and social interactions.

Good luck in the future and remember "there's a winner in you."

FOOTBALL

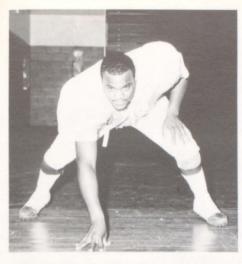

The 1987 Central High Football Team ended its season with a record of 5 and 4 and secured a second place position in the Newark City League. There are a number of young men on the team of whom the coach is very proud. Bernard Green, a 240 lb. guard, was the captain and leader on the field. Bernard made first team All-City and second team All-County. Green averaged 13½ tackles a game and had 18 quarterback sacks this season. A number of division I and division II colleges are interested in Green. Robert Thompson, a 215 lb. tackle, was the second leading tackler and made first team All-City. Dexter Williams, a 155 lb. running back, was the second leading rusher and scorer and made second team All-City. Maurice Bennett a quarterback, was a three year starter. He threw two touchdown passes and did a good job as an outside linebacker. Maurice Mapps, a 190 lb. center and outside linebacker, will receive the team player of the year award. Mapps was a half-back that converted to center where he did a great job. He also gave an outlandish job as the strong side outside line backer. Kyle Moore, a 255 lb. fullback and tackle, led the Newark City League in scoring and rushing. He was the second leading scorer in Essex County. Kyle made first team All-City, first team All-County and second team All-State. The coaching staff consisted of Mr. Charles Ferguson, Head Coach, Charles Goldsberry, Kevin Smith and Jimmy Dykes, Assistant Coaches, and Milton Taylor, Volunteer. The coaches and team would like to thank Mr. Jake Moore for his great support.

TENNIS

Tennis is a game of strokes, skill and stamina which doubles as a sport involving highly intense emotion. Each team member trains himself or herself through rigid practice schedules and conditioning along with assistance from tennis coach, Percy Lesure. Members of the tennis team must be very responsible, disciplined and must support their fellow team members and coach. Tennis is a game which demands hard work but our players who enjoy the game, practice diligently and willingly. We look forward to a good season this year with our returning players.

GOLF

The golf team members work very hard developing their game skills and team attitude during the winter clinics and golf season. The youngsters have two factors to overcome, the strangeness of the sport and its complexity. The golf swing is deceiving for it looks easier than it really is. The golf swing described in the language of physics involves such abstractions as torques, kinetic energy, centripetal forces and the conversions of angular momentum. Winning the city golf championship in "83-84-85-86-87" required developing the game skills, but most of all, it required possessing a team spirit in an individualistic sport.

VOLLEYBALL

This was the first year for Girls' Volleyball at Central High. Our team consisted of twelve enthusiastic young ladies who represented Central High in good tradition. With the consistent desire to play, our first year was very successful. We are all looking forward to the next year and the many that will follow.

BASEBALL

As the Central Blue Devils enter the penultimate year of the 80's, uncertainty surrounds the City League Co-Champions. Asked: "Will we be strong despite losing Jason Smith, one of the state's best players?" "Will we have bench strength?" "Can we overcome the favorite Barringer team and the highly-improved East Side team?" "Will the new program at Science High, led by former Central assistant coach, Jeff Ballin, be a hidden obstacle to a title?" Responded Coach Battaglini, "This team has always played well under adverse conditions, whether they be player - personnel or insufficient budgets or inadequate facilities or a host of other impediments to success. The mark of a Central baseball team is its scrappiness and intransigence. These kids are tough and they enjoy proving it. We'll find a way to win. The road to fulfillment may be, as Frost said, the one 'less traveled', but we'll be on it!"

As evidenced by their third league title in six years, the Blue Devils have made a habit of paving their own road to success.

The challenge to repeat as champions rests with a determined group of seniors. Ambiorix Diaz, coming off 7 victories as an All-City junior, will anchor the pitching staff. The feisty righthander should continue to baffle rival hitters with a combination of fastballs. curves and his "Dominican palmball." Steve Fisher, a wiry shortstop-pitcher, will be the #2 starter and anchor an inexperienced infield. Steve is a fine hitter with good baseball instincts. Darnell Graham will be the signal-caller. The All-City catcher will be counted on to drive in runs. He will be joined by thirdbaseman Orlando Purnell in the middle of the lineup. The potentially powerful righthanded-lefthanded combination of those two hitters should terrorize more than one pitcher in the area.

Seniors will roam leftfield and rightfield this year. Darrel Love and Dedric Watson are both coming off good American Legion seasons. Senior newcomer Bernard Green will try to win the first-base job while Kenny "The Terminator" Ward will be the pitching staff's #3 starter and ace reliever. Louis Rengifo

and Kenya Rogers round out the senior crop.

As coach Battaglini points out, "The uncertainty could dissipate quickly if our younger ballplayers contribute early." The younger players referred to are secondbaseman Sean Chapman, a junior, and Floyd Robeson, a sophomore centerfielder. With good play from these young men Coach Battaglini could add significantly to his 125 victories since 1980.

The ballclub will focus upon repeating as champions of the City League and the Glen Ridge Tournament. "Success is not a finality; it's a progression," says Coach. "We can not be overawed by last year's successes. True, we pitched a no-hitter against County Champion Glen Ridge, , disposed of Wood-Ridge, defeated Clark in the States and beat Barringer in 1 - 0 thriller along with other highlights, but complacency and past laurels don't win titles today. I'm confident, however, that this group will buckledown, practice hard, learn much and pull together. The potential is there to be an excellent ballclub."

GIRLS' CROSS COUNTRY

When we reflect on the 1987 - 88 Cross Country Season, Adrienne Davis will shine like a shooting star. She led us to countless victories in dual meets. Ms. Davis was very consistent at the 3.1 mile distance, never running slower than 21 minutes. She was a finalist in the City and County Championships. Her winning attitude has rubbed off on a fine group of runners who will pick up the baton in her absence. They are Shawanda Jones, Lakisha Harris, Alnisa Smith and Tonya Woolridge.

BOYS' CROSS COUNTRY

The Central Boys' Cross Country Team was led by Senior Edward Campbell. He was the backbone of the team placing in all the duel meets that Central ran. Coach Cole feels that because of Edward the next year's team will be a good one.

BASKETBALL

This year's basketball team consisted of ten young ladies who exhibited their true competitive spirit as Central Blue Devils. As a team they accepted the challenge of practice and performance to a level of strong desire. Each player is eager to win and represent Central to the highest degree. Our sharpshooting guard Patricia Hall has provided the spark for the girls' Blue Devil Basketball Team. Our team is constantly maturing into a dominating force within our league. We are eagerly waiting for next year, for we truly expect our success to grow.

TRACK

The 1987-88 year was a banner year for our Girls' Indoor Track Team led by Adrienne Davis. The team of Lakisha Harris, Shawanda Jones, Alnisa Smith and La-Shanda Carter was the fastest 880 relay team in the state of New Jersey. (Time 1:46.2) They were also the second fastest mile relay of 4:06. Adrienne Davis's personal best, this year indoor was 400 - 59.1 and 800 - 2:26. Shawanda Jones ran 58.0 in the 400 Indoors and Lakisha Harris ran a personal best in the 200 and 400. Ed Campbell ran 53 in the Essex County Championship. (Watch out for this team outdoors in 1988.) Robert Thompson, a second year runner has shown that hard work can pay off. Robert coming off an outstanding football season, is having a good indoor track season. Mr. Thompson held the title of City Champ in the 55 meter dash and finished 5th. out of 110 competitors in the N.J.S.I.A.A. Group II Championship in the 55

SOFTBALL

This season promises to be a good season for Central's Softball Team. Last season we had difficulty in the beginning because we did not have that certain drive. However, this year we have that winning spirit.

We have three of our best players returning as seniors. We have Chelsie Hines, as catcher, Amanda Covington, as outfielder, and our all-field player, Carmen Melendez.

We also have new hopefuls on this year's team. They are full of ambition, experience and the spirit to win, all the ingredients needed to make a winning team.

With our new coach, Joe Williams, this will be Central's best year!!

BASKETBALL

This 1987-1988 season, The Central Blue Devil Basketball Team had a lot of talent. It was just a matter of putting that talent together. The Central Blue Devils got started with a slow start, losing their first three games, but then they got on the right track by winning their next three. The team was lead by the two captains Alan Ferrell and Douglas Evans. Douglas Evans, the small forward, started every game and finished the year being the teams high scorer. Alan Ferrell, the point guard, finished second in scoring and gave the team the leadership it needed. Danny Rodriquez came off the bench as sixth man and provided the spark by hitting three point shots.

The coaching staff was a good one, with head coach Calvin Blue at charge. If the team would have played together more often, they might have won more games. This year they finished with a record of 10 - 11.

SENIOR CLASS OFFICERS

As we reach the conclusion of the first act in this play of life, we realize that we have a responsibility to play a particular role. In our lives, we may have the role of a star, a supporting actor or a stagehand. Whatever our role is, we must play it well and be the best we can be.

We are responsible for setting an example for our younger brothers and sisters. We must encourage them to set educational goals and above all teach them to love and respect themselves. Life is precious and it must be used to benefit society.

I submit the following poem by Margaret Goss Burroughs.

Soul Folks

Soul folk, think a minute It is not what's on your head But rather what's in it. It is not what you wear Around your neck But rather the head That is on your neck Nor is it the cloth That covers you But rather the heart That beats for you And all of human kinds Humanity and head and heart Are the most important part Soul folk, think on that A minute.

Good luck in the future.

Mrs. Theresa Bennincase

"Any man's death diminishes me, because I am involved in mankind; and therefore never send to know for whom the bell tolls; it tolls for thee."

- John Donne

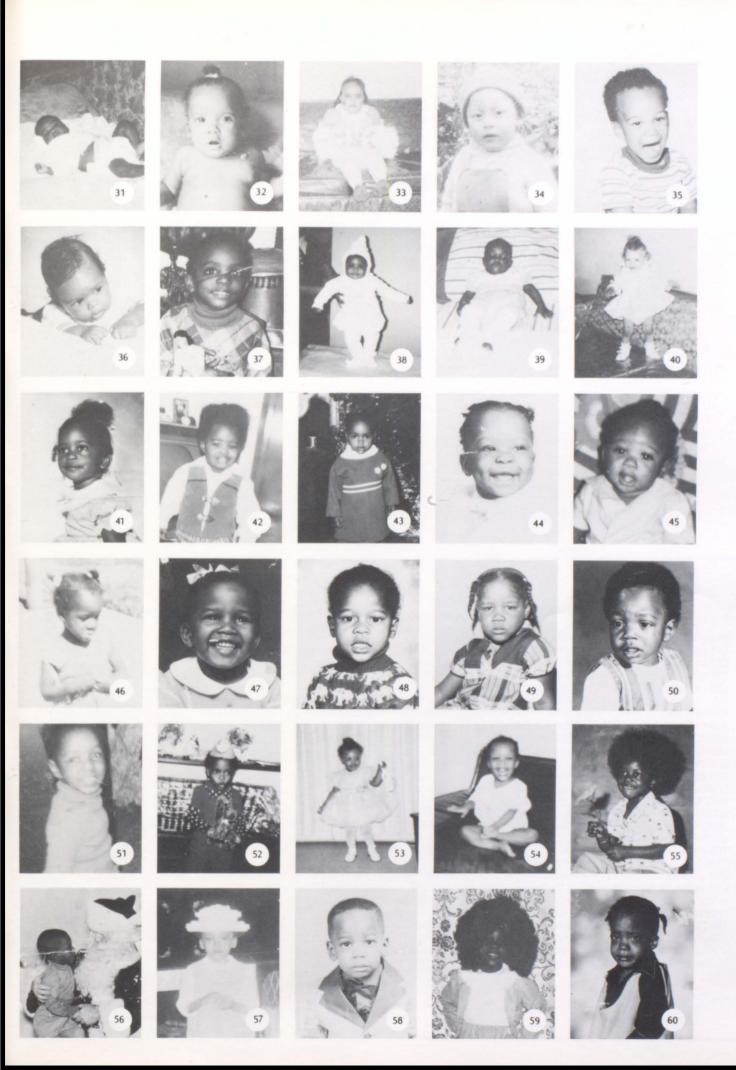

On Sunday, March 6, 1988 the bell tolled for the Central H.S. community when Tessie Bennincase was brutally murdered. Many of us did not really know her or had never spoken to her but virtually all of us had seen her daily sweeping Warren Street in front of her house and we became so used to seeing her there that we thought we knew her. She was a permanent fixture. Buildings were torn down and new ones were erected but Tessie remained.

A former graduate of Central H.S., she lived in Central's neighborhood all her life. By doing whatever she could to make it a better place, she became a symbol of civic pride. In her small, unassuming way, she made a very big difference. She touched our lives in a very special way by her unselfish giving and her hope, zest and desire for positive change.

Now that she is gone , let us work to keep Tessie's spirit alive in each of us. We owe her that much.
